

## Fundraising

To offer the curriculum enrichment activities that our children so enjoy, we raise funds throughout the year. Please know that we try to make these activities as unobtrusive as possible (after all, we're parents too). Your support for these activities is critical to their success.

**Escrip.** One of our easiest ways to help! Register your Vons card and other club cards with EScript and also purchase through escrip to online stores such as amazon, home depot, apple, etc... A percentage of your purchases is sent to the school. Share this with your family, friends, and colleagues. Anyone can contribute to ECEC/Mesa painlessly through eScrip!

**Box Tops for Education.** You've noticed the BTFE coupons on the bottom of your Kleenex box or the top of your Cheerios box; take a minute to rip them off and drop them in the collection box in your child's classroom. Easy! Also they have

online coupons/signups.

## Our Role

The Parents Advisory Board is part of the ECEC Charter. We support our children's education here by working with the teachers, offering our support, creating community building activities, and funding curriculum enrichment opportunities. We meet monthly to plan our upcoming events and field ideas for other possibilities. We would love to have your participation in the monthly meetings and/or volunteer for events at the school. Join us!
