SCHOOL-AGED CHILDCARE APPLLICATION

Dear Parents/Guardians,

UC San Diego Early Care and Education is temporarily providing school-aged childcare (ages 5-8 years old) for the children of students, staff, and faculty. Care is available weekdays from 7:30 a.m. to 4 p.m. with a capacity of 14 students. This temporary program will last through December 15, 2020 (may be subject to extension).

This program is only for students currently enrolled in an elementary school with a remote learning plan. Two teachers in the classroom will support the individual needs of each student and help to facilitate their online learning as well as their independent work. Each student will have an individual desk/space, and families will be responsible for bringing their student’s devices and headphones to school every day, along with a bag lunch. The program will provide a morning and afternoon snack. Once students’ remote learning is complete, teachers will facilitates daily enrichment activities. Some of these activities include music, movement/gross motor, yoga, dance, STEM and art.

The monthly tuition rate (subject to adjustments) is:
